## The Raine Study Consent at eighteen years of age

I, \_\_\_\_\_ have read the Information Sheets explaining why I need to give consent at eighteen years of age to the Western Australian Pregnancy Cohort (Raine) Study. Any questions that I may have had, have been answered to my satisfaction.

	Yes	No
I would like to continue to participate in the Raine Study and be contacted for future follow ups.	<input type="radio"/>	<input type="radio"/>
I agree that information and data collected in previous Raine Study Follow Ups can be accessed for analysis by Raine Study Researchers.	<input type="radio"/>	<input type="radio"/>
I agree that researchers can obtain additional information from Western Australian administrative records.	<input type="radio"/>	<input type="radio"/>

I understand that at anytime I can request to withdraw from the Raine Study and I can request any of my data to be removed from the Raine Study Database.

Dated \_\_\_\_\_ day of \_\_\_\_\_ 20 \_\_\_\_\_

Signed \_\_\_\_\_

The Human Research Ethics Committee at the University of Western Australia requires that all participants are informed that, if they have any complaint regarding the manner in which a research project is conducted, it may be given to the researcher or, alternatively to the Secretary, Human Research Ethics Committee, Registrar's Office, University of Western Australia, 35 Stirling Highway, Crawley, WA 6009 (Ph: 6488 3703). All study participants will be provided with a copy of the Information Sheet and Consent Form for their personal records.
