

SECOND QUESTIONNAIRE
(Mother ~ 34 weeks)

NAME: _____

STUDY NO [STUDYNO]: _____

The purpose of this questionnaire is to update some of the information you gave us at your first interview.

You will recognise the questions as being the same as those the study midwife asked you at that time.

Any you do not understand, ask the ultrasound midwife or leave blank.

____ nips of spirits,
____ cans or stubbies of full strength beer,
____ cans or stubbies of low alcohol beer.

6. Do you smoke cigarettes NOW? [U_SMKAVE]:

0 = No (Go to Q7)
1 = 1 – 5 daily
2 = 6 – 10 daily (Go to Q8)
3 = 11 – 15 daily
4 = 16 – 20 daily
5 = 21 or more per day

7. If you smoked at the start of your pregnancy, how long ago did you stop smoking? [U_SMKSTP]:

____ months ago
OR ____ weeks ago
OR ____ never smoked

8. Does anyone else living with you smoke? [U_OTHSMK]:

0 = No
1 = Yes
8 = Sometimes

9. For the last four months have you spent at least 2 hours a day exposed to someone else's smoke away from home e.g. at work? [U_EXPSMK]:

0 = No
1 = Yes
2 = Yes but only until I stopped work

10. Have you been taking any medicines in the last four months? This includes prescribed medicines, as well as vitamins, aspirins etc. Look at list A for examples. [U_MEDIC]/[U_VITAM]:

What were they?

Dose

STRICTLY CONFIDENTIAL

11. Have you used any recreational drugs in the last four months? [U_DRUG]: Y / N

17. Do you feel you can discuss these with a friend? [U_PFRND]:

0 = No

1 = Yes

18. Do you feel you can discuss these with your doctor? [US_PDOC]:

0 = No

1 = Yes

9 = No doctor

DURING THE LAST FOUR MONTHS

19. Have you had an X-ray? [U_XRAY]:

0 = No

1 = Yes

What type? _____

When? ___ / ___ / ___ date (approx)

OR _____ weeks gestation

20. Have you had a dental X-ray? [U_DXRAY]:

0 = No

1 = Yes

When? ___ / ___ / ___ date (approx)

OR _____ weeks gestation

21. Have you had a general anaesthetic? [U_ANAET]:

0 = No

1 = Yes

What operation? _____

When? ___ / ___ / ___ date (approx)

OR _____ weeks gestation

All the next series of questions relate to things that may have happened to you once you enrolled in the study, that is for about the last four months. Please try and answer them all, by circling the Y if you feel you have been exposed to this and giving some detail on the dotted line if possible – what it was, how long, how often.

During the last four months, have you been exposed to any of the following? This includes exposure while you were at work as well as at home or while you were engaged in any hobby or sport.

Give some detail on the dotted line if possible – what it was, how long, how often

X-rays – e.g. accidental exposure, work in X-ray department. Do not include medical X-ray or treatment. [UE_XRAY]: Y / N

Frequency [UE_XRAY2]: _____
Average duration [UE_XRAY3]: _____

VDU – Use of computer or typewriter with a computer screen or similar. [UE_VDU]: Y / N

Frequency [UE_VDU2]: _____
Average duration [UE_VDU3]: _____

Non-ionising radiation – Such as used in physiotherapy or beauty therapy. [UE_RADI]: Y / N

Frequency [UE_RADI2]: _____
Average duration [UE_RADI3]: _____

Radioactive materials – Medical or laboratory use of such isotopes as tritium, carbon – 14, thorium, iodine – 125. Mining of uranium or mineral sands. [UE_ISOT]: Y / N

Frequency [UE_ISOT2]: _____
Average duration [UE_ISOT3]: _____

Solvents – Include dry cleaning fluids, degreasing fluids, petroleum products, used in some industries. E.g. benzene, chloroform, carbon tetrachloride, tetrachloroethylene, toluene, xylene, alcohols, lacquer petrol, white spirit. Do not include washing liquids or sprays used in normal household cleaning. [UE_SOLV]: Y / N

Frequency [UE_SOLV2]: _____
Average duration [UE_SOLV3]: _____

Glues – Used in hobbies such as model-making, carpetweaving etc. Only if the use is prolonged or very intense. E.g. acetates, carpet glue, tiling glue. [UE_GLUE]: Y / N

Frequency [UE_GLUE2]: _____
Average duration [UE_GLUE3]: _____

Chemicals or poisons – Only mention intense exposure or exposure of more than 15 minutes e.g. perming solution when you perm your own or someone else's hair as in hairdressing, roof sealant, bleach, ammonia, mercury in dental surgery, styrene in plastics, silicone, formaldehyde, acids, phenol, ethylene dichloride,

methyl chloride, vinyl chloride, chlordane, epichlorohydrin, perchloroethylene in some industries, wood preservatives eg. PCP, Busan. [ME_CHEM]: Y / N

Frequency [UE_CHEM2]: _____
Average duration [UE_CHEM3]: _____

Dyes – e.g. hairdyes, clothes dyeing, wool dyeing, photographic developing, printing inks. [UE_DYES]: Y / N

Frequency [UE_DYES2]: _____
Average duration [UE_DYES3]: _____

Paint – Repeated exposure to paints e.g. painting the house yourself, paint as a hobby, professional painter. [UE_PANT]: Y / N

Frequency [UE_PANT2]: _____
Average duration [UE_PANT3]: _____

Dusts – e.g. fur in fur industry, mortar, plaster, metal dust and wood dust in workshops, textile dust for seamstresses, dressmakers, excess household dust e.g. for cleaners. [UE_DUST]: Y / N

Frequency [UE_DUST2]: _____
Average duration [UE_DUST3]: _____

Insulation Materials – e.g. asbestos, fibrous wool, glasswool, fibreglass, laying ‘Batts’ in the ceiling. [UE_INSL]: Y / N

Frequency [UE_INSL2]: _____
Average duration [UE_INSL3]: _____

Air Pollution – e.g. large factory fire, bushfire, live near factory with smoke emission, work in polluted atmosphere, period of unusual or unpleasant odours around home, exposure to mosquito fogging, repeated exposure to exhaust gases. [UE_AIRP]: Y / N

Frequency [UE_AIRP2]: _____
Average duration [UE_AIRP3]: _____

Water Pollution – e.g. dioxin waste, bad tasting bore water used for drinking, factory discharge into river by home. [UE_WATP]: Y / N

Frequency [UE_WATP2]: _____
Average duration [UE_WATP3]: _____

Sewerage problem – e.g. blocked drains at home or work for more than 1 day.
[UE_SEWR]: Y / N

Frequency [UE_SEWR2]: _____
Average duration [UE_SEWR3]: _____

Pest Spraying – e.g. 2,4,5 T, cockroach fumigation, white ant fumigation, DOT, Lindane, Metasystoxi, Phosdrin, Folimat, Lannate, Malathion, Gusathion, Vamidotion, Dichlorvos, Carbaryl, Heptachlor, Chloropicrin, methyl bromide, Chlordane. This means fumigation not household aerosols. [UE_PEST]: Y / N

Frequency [UE_PEST2]: _____
Average duration [UE_PEST3]: _____

Herbicides and Fungicides – e.g. 2,4D, Paragat, 2,4,5T, Roundup, Tordan, Dignat, Simazine, Dicamba, Captan, Thiram, Polyram, Karathane, Morocide, Benomyl, Zineb, Bordeaux, Bromacil, Amitrole, Maneb. This means use in garden or farm near your home. [UE_SPRY]: Y / N

Frequency [UE_SPRY2]: _____
Average duration [UE_SPRY3]: _____

Agricultural spraying – This means phosphates and other fertilizers, near your home, animal drenches, food additives including hormones. [UE_AGRY]: Y / N

Frequency [UE_AGRY2]: _____
Average duration [UE_AGRY3]: _____

Anaesthetics – If you administer anaesthetics in your job e.g. halothane, ether.
[UE_ANAE]: Y / N

Frequency [UE_ANAE2]: _____
Average duration [UE_ANAE3]: _____

Other – Is there anything else that you feel you may have been exposed to that has not been covered? [UE_OTH]: Y / N

Frequency [UE_OTH2]: _____
Average duration [UE_OTH3]: _____
