

THE RAINE STUDY 23 YEAR FOLLOW UP Sleep and Respiratory Study

CONSENT FORM

Raine ID ..

--	--	--	--	--

I, _____ have read the Information Sheet explaining the Raine Cohort Sleep and Respiratory Study. Any questions I have asked have been answered to my satisfaction.

- I agree to participate in the Raine Sleep Study
- I agree to participate in the Raine Respiratory and Asthma Study

I understand that:

- My non-identified study information and/or blood sample, after granting of appropriate ethical approvals, may be sent overseas for health research purposes.
- Any personally identifying information about me will not be revealed to any third party without my permission, except if required by law.
- I have the right to revoke my consent to the use and storage of my blood, urine and DNA samples and information, at any time, without giving reasons.
- I will not receive any personal financial benefit from any commercial tests or products that may be developed from the study.
- I will be given a copy of this Consent Form and Information Sheets for my personal records
- I agree to participate in this study, realising that I may withdraw at any time.
- I understand that all information provided is treated as strictly confidential and will not be released by the investigators. The only exception to this principle of confidentiality is if documents are required by law.
- I have been advised as to what data is being collected, what the purpose is, and what will be done with the data upon completion of the research.
- I agree that research data gathered for the study may be published provided my name or other identifying information is not used.

Signature of Participant: Date

Approval to conduct this research has been provided by the University of Western Australia, in accordance with its ethics review and approval procedures. Any person considering participation in this research project, or agreeing to participate, may raise any questions or issues with the researchers at any time. In addition, any person not satisfied with the response of researchers may raise ethics issues or concerns, and may make any complaints about this research project by contacting the Human Research Ethics Office at the University of Western Australia on (08) 6488 3703 or by emailing to hreo-research@uwa.edu.au
