

**Dataset Coding Guide**  
**Project - Raine Study (Pregnancy Cohort Study)**  
**Dataset - Raine Antenatal Postnate**

Variable	Name	VariableLabel	QNum	QPartNum	Datatype	Repeat	Value	Value Label
ANG		Since delivery have been feeling angry			Numeric		0	Not at all
							1	A little
							2	Moderate
							3	Very much
ANX		Since delivery have been feeling anxious			Numeric		0	Not at all
							1	A little
							2	Moderate
							3	Very much
BLUE1					Numeric			
CRY		Found self having crying episodes			Numeric		0	Most of the time
							1	Quite often
							2	Only occasionally
							3	None at all
EAT		Have been eating normally			Numeric		0	Eat all meals
							1	Eat most meals but not all
							2	Mostly not very hungry
							3	Cant eat at all
ELAT		Since delivery have been feeling excited/elated			Numeric		0	Not at all
							1	A little
							2	Moderate
							3	Very much
FID		Since delivery have been lacking confidence			Numeric		0	Not at all
							1	A little

Variable	Name	VariableLabel	QNum	QPartNum	Datatype	Repeat	Value	Value Label
							2	Moderate
							3	Very much
FRUS		Since delivery have been feeling frustrated			Numeric		0	Not at all
							1	A little
							2	Moderate
							3	Very much
FUS		Since delivery have been feeling confused			Numeric		0	Not at all
							1	A little
							2	Moderate
							3	Very much
HAP		Since delivery have been feeling happy			Numeric		0	Not at all
							1	A little
							2	Moderate
							3	Very much
IRR		Since delivery have been feeling irritable			Numeric		0	Not at all
							1	A little
							2	Moderate
							3	Very much
MIS		Felt sad or miserable			Numeric		0	Most of the time
							1	Quite often
							2	Very often
							3	Not at all
MOOD		Mood changeable and unpredictable			Numeric		0	All the time
							1	Quite often
							2	Occasionally
							3	Not at all - it has been very stable
P_EMOT		Suffered any emotional trauma since 'update' questionnaire			Numeric		N	No
							Y	Yes

Variable	Name VariableLabel	QNum	QPartNum	Datatype	Repeat	Value	Value Label
P_EMOTW	Gestation at time of emotional trauma (weeks)			Numeric			
P_FEED	How baby is feeding			Numeric			
P_MILK	Milk baby is drinking			Numeric			
P_MVA	Involved in a motor vehicle since becoming pregnant			Numeric		N	No
						Y	Yes
P_MVAW	Gestation at time of motor vehicle accient (weeks)			Numeric			
P_PHYS	Suffered any other physical trauma since 'update' questionnaire			Numeric		N	No
						Y	Yes
P_PHYSW	Gestation at time of physical trauma (weeks)			Numeric			
PF_SHOE				Numeric			
PF_TWIN	Father from a multiple birth			Numeric		N	No
						Y	Yes
PM_SHOE				Numeric			
PM_TWIN	Mother from a multiple birth			Numeric		N	No
						Y	Yes
PRD	Since delivery have been feeling proud			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much
PREH	Since delivery have been feeling apprehensive			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much
SAD	Since delivery have been feeling sad			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much

Variable	Name VariableLabel	QNum	QPartNum	Datatype	Repeat	Value	Value Label
SENS	Since delivery have been feeling over-sensitive			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much
SLEP	Have been so upset that have trouble sleeping			Numeric		0	Most of the time
						1	Sometimes
						2	Only very occasionally
						3	Not at all
STUDYNO	Study identification number			Numeric			
TIR	Since delivery have been feeling tired			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much
UNLV	Since delivery have been feeling unloved			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much
VULN	Since delivery have been feeling vulnerable			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much
WOND	Since delivery have been feeling wonderful			Numeric		0	Not at all
						1	A little
						2	Moderate
						3	Very much
WORY	Felt anxious or worried for no good reason			Numeric		0	Not at all
						1	Hardly ever
						2	Sometimes

Variable	Name	VariableLabel	QNum	QPartNum	Datatype	Repeat	Value	Value Label
							3	Very often
