

THE RAINE EYE STUDY

CONSENT FORM

--	--	--	--	--

Raine ID

I, _____ have read the Information Sheet explaining the Raine Eye Study. Any questions I have asked have been answered.

I agree to participate in the Raine Eye Study.

I agree to provide a blood sample Yes No

I understand that:

- **My de-identified study information and/or blood sample, after granting of appropriate ethical approvals, may be sent overseas for health research purposes**
- Any personally identifying information about me will not be revealed to any third party without my permission, except if required by law
- **I have the right to revoke my consent to the use and storage of my blood sample and information, at any time, without giving reasons**
- I will not receive any personal financial benefit from any commercial tests or products that may be developed from the study
- **I will be given a copy of this Consent Form and Information Sheets for my personal records**
- I agree to participate in this study, realising that I may withdraw at any time.
- **I understand that all information provided is treated as strictly confidential and will not be released by the investigators. The only exception to this principle of confidentiality is if documents are required by law.**
- I have been advised as to what data is being collected, what the purpose is, and what will be done with the data upon completion of the research.
- **I agree that research data gathered for the study may be published provided my name or other identifying information is not used.**

Signature of Participant: Date

The Human Research Ethics Committee at the University of Western Australia requires that all participants are informed that, if they have any complaint regarding the manner, in which a research project is conducted, it may be given to the researcher or, alternatively to the Secretary, Human Research Ethics Committee, Registrar's Office, University of Western Australia, 35 Stirling Highway, Crawley, WA 6009 (telephone number 6488-3703). Please refer to the Information Sheet for a list of contact numbers of Chief Investigators should you wish to discuss any aspects of this study.
